Kemp Inc	Papa Smurf	8146547156		10/7/2009 3:30 PM	156	

Key Features:

1. Detail of the contacts that have not been called according to their assigned frequency
2. Allows Sales Manager/Sales Person to make sure contacts don't slip through the cracks
3. Can be set up to automatically generate at a particular time. We send this report every Thursday at 2:00 PM. This gives our staff time to contact every missed call by the end of the week.
